## Class of 1990 Twenty-Year Reunion

July 23-25, 2010

To all who attended Westmar College/Teikyo Westmar University in the classes of 1987-1993,

We would like to cordially invite you to the Westmar Class of 1990 20-year Reunion. We have all longed to return to Le Mars to see the changes and to revisit our college experience. I would formally like to ask that you take the time to consider returning to the place where your adult life began.

Imagine yourself walking through the commons and remembering what you had to eat there. Do you recall walking through the student union and watching everyone as they gulped down their food as they were rushing off to class? Remember walking to class talking about your next test, or the past test, as you were planning your weekend activities! Think about the times when thoughts of your girlfriend/boyfriend interrupted or prevented you from listening to a class lecture. Sweet are the memories of football games, basketball games and pep rallies.

Westmar has caused me to reminisce about all the years that we spent in Le Mars seeking solace and finding ourselves amid all of the chaos and indecision. Westmar provided us with a valuable education and life changing experiences.

Please carefully consider coming back to the reunion on July 23-24, 2010. I would love to see each and every one of you. I look forward to seeing you all again with your Wives, husbands, partners, and children and hearing about all the different things that everyone has done since we left Westmar.

Sincerely,  
Dexter Rogers
