70's Decade—Madrigal—Women Athletes

July 16-17, 2010

I would like to personally invite everyone from the 70's decade to plan to attend the reunion next summer – especially those in the first half of the decade. They truly were great years that bring back a lot of great memories of good friends and good times – even though we were mostly broke all the time! I would really like to see, reminisce, and just plain catch up with all of you. Hope to see you then! — Mike Pearson '71

"The Boars Head in Hand Bare I Bedecked in Bays and Rosemary" Do you find yourselves singing or humming this tune around Christmas time and thinking of the reading of the Christmas story, singing on a full stomach, or secretly switching your apple pie for the pecan pie which the tenor next to you has in front of his plate? If any of these sound familiar, then you are long overdue for a Westmar Madrigal Reunion. Most of us Madrigal singers have committed some of those songs to memory and can still sing them today. What a great time in our lives.

Well, it has been over ten years since the last reunion and I for one am ready once again to sing along with Mitch. Dr. Mitchell has most graciously agreed to lead us once again in reliving those most wonderful memories of our Westmar Madrigal years. I promise you that it will make you smile, cry, and most certainly want more. Please join us July 16 and 17, 2010 in LeMars for the Madrigal Reunion. Plans are already underway with Dr. Mitchell to recreate this great experience. See you in July! — Jeff Neary '81

Remember wearing the blue and white uniforms for the Westmar Eagles? Remember the friendships developed on and off the playing courts/fields? How about all those ankles and knees that Doc Erslund taped over the years? The time has come to renew old friendships and reminisce on the games that were or should have been. Please mark your calendars now and join us for the first ever Westmar Women's Athletic Teams Reunion. This will be held in conjunction with the 70's Reunion in LeMars on July 16, & 17 in Le Mars. More information will come your way as plans continue to be developed. — Terri Hyndman Luehring '77
