**NOTICE:** The Wafa Board Of Directors has voted that effective January 1, 2016, the Wafa office personnel will no longer organize reunions from the Wafa office. Office staff will provide contact information and assistance to aid in alumni taking charge of their own reunions. Assistance is provided by Wafa office staff to those planning Westmar Alumni reunions whether in LeMars or elsewhere.

More specific information will be coming this fall after the currently planned reunions have been held.

### During the Last 100 Years —#6

Wayne Marty didn't have time for an article for this newsletter, (he's been busy working on the windows at the museum, involved in LeMars Community Theatre, and his family ) so I'm updating you on the project of the Composite Pictures that we started a few years ago—time goes so fast! This is a project for documenting the last 100 years so it may be fitting.

Visitors to the Westmar Room often asked “ **Where are the Class Pictures** ” ? The composites, in their original frames, glass, cardboard and masking tape, are kept in the office and are difficult to access for viewing.

We have been able to have them reproduced in a smaller size and displayed in a table top poster display for easy viewing by visiting alumni, non-graduating classmates, families and historians. This display has received great attention! Not only by family but by friends who knew someone who graduated from Westmar.

**We still need your help. Original donations have covered the process of printing the poster size prints to date.** The years of '21, '25 and '53 to '90 have been printed and are on display. They are the only years that have composite pictures in the archives. We have started scanning the senior pictures from the year books and will fabricate composite pictures from them for the years that we have year books. Of course we are not finished with the pages we have photos for....we will be adding the donor names and information from that class below the picture. (A few of the photos in the frames will be retaken for clarity.)

**All donations will be acknowledged on the display.**

**DONATIONS** may be sent to Westmar Alumni and Friends Assoc., 335 1st Ave SW, LeMars, IA 51031

Questions? Phone 712-546-8759 (leave message) or email [wafa@westmarcollege.org](mailto:wafa@westmarcollege.org)

A special thank you to all of you that have supported this project. Every time someone looks at the display, we are grateful to those who have made it possible.

Four foreign exchange students stayed in our home over the years. After son Jeff and daughter Pamela finished college, and began their families, Bill and Beverly followed her hobby of locating genealogical roots in America and England. family in Olathe, KS and Jeff's family in CO where he teaches music, plays for two churches and does piano concerts in the summer. Bill passed away April 11, 2008.
